A Love Note from Me to You...

Dear Neighbors,

The Dallas Mavericks will have one home game this week on Wednesday February 20th. The Dallas Stars will have two home games this week on Sunday February 17th and Thursday February 21st. Please be advised that there could be an increase in general aviation traffic due to these games.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Construction Activities

Runway Safety Area (RSA)

In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway.

As of December 21, 2012, Taxiway Bravo has been re-opened and the RSA project is scheduled to begin February 11, 2013.

To complete the modifications needed all work will be done in phases. Phase 1 of the project requires a closure of RWY 13L/31R (Lemmon) for approximately 60 days beginning February 18, 2013 followed by a 120 day period of over-night closures as needed.

All work will be completed in phases. Estimated completion for the project is Spring 2013.
