

DALLAS LOVE FIELD
Leading the **EVOLUTION** of the Airport Experience

Community Weekly Update for March 2- March 8, 2013

A Love Note from Me to You...

Dear Neighbors,

The Dallas Mavericks will have one home game this week on Wednesday March 6th. The Dallas Stars will have one home game this week on Friday March 8th. Please be advised that there could be an increase in general aviation traffic due to these games.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

View from "Love Landing" of the art work being installed in the main terminal. The piece is entitled: North Texas Sunrise, 2013 by Dixie Friend Gay and is located on the focal wall in the main terminal.

For more information and updates about the Love Field Modernization Project (LFMP) please visit: <http://www.lovefieldmodernizationprogram.com/>

Everyday Environmental Tip

Need to wash your vehicle? Make sure that you are using the nearest car wash facility. Most car wash facilities are designed to use less water to clean vehicles and are also permitted to drain water run-off so that it does not enter into sewers or drains that lead directly to our rivers and streams.

Want to get involved?

The Love Field Environmental Advisory Council (LFEAC) meets once every quarter. Please join us for round-table discussion and updates!!!

Upcoming LFEAC Meetings:

- ◆ April 11, 2013
- ◆ July 11, 2013
- ◆ October 10, 2013

Construction Activities

Runway Safety Area (RSA)

In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway.

As of December 21, 2012, Taxiway Bravo has been re-opened and the RSA project is scheduled to begin February 11, 2013.

To complete the modifications needed all work will be done in phases. Phase 1 of the project requires a closure of RWY 13L/31R (Lemmon) for approximately 60 days beginning February 18, 2013 followed by a 120 day period of over-night closures as needed.

If you would like to learn more about the LFMP please visit:

Water Main Replacement

DWU has contracted with Atkins Brothers Construction to install a 48" water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Avenue. Shorecrest is currently closed from Reeves Street to Webb Chapel Road as construction continues. Work continues on the eastbound side of Lemmon Ave from the intersection at Shorecrest to Lovers Lane. All work will be completed in phases. Estimated completion for the project is Spring 2013.

Runway Closures

Scheduled Runway Closures for Routine Maintenance

Runway 13L/31R (Lemmon) will remain closed for approximately 60 days.

Ongoing Airfield Closures

- ◆ RWY 18/36 to remain closed, but will be available for taxiing south of TWY B.
- ◆ The following taxiways will remain closed until further notice:
 - TWY A closed from TWY D to the approach end of RWY 13L.
 - TWYs A3, B2, B4, B6, and N.
 - TWY B5 closed from TWY B to RWY 13L.
 - TWY D closed from TWY B to TWY A.
 - TWY M closed between TWY R and B1.

****Please see the airport diagram on the next page for the locations of runways and taxiways.***
