A Love Note from Me to You...

Dear Neighbors,

The Collings Foundation is currently at Dallas Love Field for their annual "Wings of Freedom" tour. The last day of the tour will be Sunday March 24th. The Collings Foundation is a non-profit educational foundation whose aim is to honor our WWII veterans as well as educate Americans about our national history and heritage through public participation. While on tour, the public will be able to learn about and view the B-17 Flying Fortress, B-24 Liberator, P-51 Mustang, Messerschmitt Me-262, and the Bell UH-1E Huey Helicopter. All aircraft will be on display at the Frontiers of Flight Museum located at 6911 Lemmon Avenue Dallas, Texas 75209. Please note that this event does include flight tours for the public which could result in increased aircraft noise in the area.

The Dallas Mavericks will have four home games this week on Friday March 22nd, Sunday March 24th, Tuesday March 26th, Thursday March 28th. Please be advised that there could be an increase in general aviation traffic due to these games. The Dallas Stars will also have three home games this week on Saturday March 23rd, Monday March 25th, and Friday March 29th.

There is also a chance of thunderstorms in the forecast for this weekend. Please be advised that this could cause later than normal or increased air traffic due to delays or diversions.

The next LFEAC meeting will be held April 11, 2013 at 6pm in the Department of Aviation Administration Building in Conference Room B. The physical address is 7610 Aviation Place Dallas, Texas 75235. We are planning for a tour of the new terminal during this meeting so please come prepared to view the new facility. More details will follow in the upcoming weeks.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Everyday Environmental Tip

This Saturday March 23, 2013 from 8:30 p.m. to 9:30 p.m. is Earth Hour for 2013! During this hour please join the effort to raise awareness about climate change and energy use. In 2012, more than 7000 cities and towns in 152 countries and territories participated in Earth Hour 2012. It's simple, all you have to do is turn off all the lights in your home or business from 8:30 p.m. to 9:30 p.m. on Saturday March 23rd. This includes landscaping and home accent lighting as well. If you need lighting consider using a small flashlight for your use. Visit www.earthhour.org for more information about Earth Hour 2013. Join the global community and play your part to help bring awareness to climate change and energy use!

Construction Activities

Runway Safety Area (RSA)

In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway.

As of December 21, 2012, Taxiway Bravo has been re-opened and the RSA project is scheduled to begin February 11, 2013.

To complete the modifications needed all work will be done in phases. Phase 1 of the project requires a closure of RWY 13L/31R (Lemmon) for approximately 60 days beginning February 18, 2013 followed by a 120 day period of over-night closures as needed.

Water Main Replacement

DWU has contracted with Atkins Brothers Construction to install a 48" water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Avenue. Shorecrest is currently closed from Reeves Street to Webb Chapel Road as construction continues. Work continues on the eastbound side of Lemmon Ave from the intersection at Shorecrest to Lovers Lane. All work will be completed in phases. Estimated completion for the project is Spring 2013.

Runway Closures

Scheduled Runway Closures for Routine Maintenance

Runway 13L/31R (Lemmon) will remain closed until approximately April 18, 2013.
