A Love Note from Me to You...

Dear Neighbors,

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Construction Activities

Runway Safety Area (RSA)

In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway.

To complete the modifications needed all work will be done in phases. Phase 1 of the project has been completed as of April 18, 2013 and Runway 13L/31R

(Lemmon) has been reopened for use.

As needed, 13L/31R (Lemmon) will be closed at night for work to be completed as the project continues for the next 120 days.

Everyday Environmental Tip

Did you know that May is National Bike Month? Try taking a ride on your bike to complete your everyday tasks. If you do not use a bike regularly, start by biking one day a week and work towards developing a healthy habit. You can get your tasks completed, get some exercise and help the environment all at the same time!

Notice

Your weekly update does not have the "Airport Operations Report" in this issue. Our Noise Monitoring and Flight Tracking System is temporarily unavailable but we are diligently working on a solution to get the system back up as quickly as possible. I apologize for any inconvenience that this may cause.
