Announcements

Thanks to all those who attended the Love Field Environmental Action Committee (LFEAC) meeting. The next meeting will be on October 8, 2015.

[Picture] The OmniGlobe is officially up and running in the ART/TRAVelers Gallery. It is on loan from Earth Day Texas and non-profit organization. The OmniGlobe currently has over 50 programs to choose from including the Earth's wind current patterns; how the planet's land-mass has evolved over 600 million years; views of all the planets and detailed information about them; the Milky Way Galaxy and even the image of a Death Star from Star Wars.
