A Love Note from Me to You...

Dear Neighbors,

There is a small chance of thunderstorms in the forecast for this weekend. Please be advised that this could cause later than normal traffic due to delays or diversions.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter
