

Community Weekly Update for June 29 - July 5, 2013

A Love Note from Me to You...

Dear Neighbors,

Please save the date for the next **LFEAC meeting on July 11, 2013 at 6pm!** The location for the meeting is still being finalized so please watch your emails as this information will be given within the upcoming week.

There is a chance for thunderstorms in the forecast this weekend. Please be advised that this could cause later than normal traffic due to diversions and delays.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Construction Activities

Runway Safety Area (RSA)

The Runway Safety Area (RSA) project has now been completed.

Work continues on taxiways A, B, and D. As work continues along these taxiways, there will be some limitations on the access to the approach ends of RWY 13L/31R (Lemmon).

Taxiway D between Taxiway C and Taxiway P was closed Tuesday May 28, 2013 as work continues for the next phase of the Love Field Modernization Project (LFMP).

This phase of the project is expected to be completed in Spring of 2014 and it includes the demolition of Gates 4 through 15 of the west concourse and the baggage claim wing.
