Announcements

A new addition to Dallas Love Field’s terminal is on the way! Love Field Performance Stage is being built to provide a stage for concerts and additional entertainment. The Love Field Performance Stage will be located behind the Dunkin Donuts on the secured side of the terminal, right in front of the food court. Grab a bite to eat and enjoy the entertainment coming soon!

Laser strikes on aircraft have hit a record pace. There have been three reported laser strike incidents at Dallas Love Field this week.

Reminder: It is a federal crime to point a laser at an aircraft. These incidents are not taken lightly as those convicted can be sentenced to 20 years in prison and a \$250,000 fine. ‘Don’t let a prank lead to prison!’

Noise Complaints

You may submit noise complaints to the Department of Aviation through the PublicVue portal on the Love Field website at www.dallas-lovefield.com and clicking the “Aircraft Noise Complaints” button on the right side of the screen. You may also submit complaints via the Airport Communications Center at 214-670-**LOVE** (5683). The Airport Communications Center (ACC) is staffed 24 hours a day to direct your airport related concerns.
