Crazy little thing called Love... Field

Announcements

The Thanksgiving travel season is upon us and Dallas Love Field would like to remind its local and out-of-town travelers of a few holiday travel tips. Always check with your airline for flight status prior to arriving, arrive at least 1½ to 2 hours before your flight to allow enough time for parking, check-in, and security. Finally make sure to hide your belongings, lock your car, and take your keys. Happy Thanksgiving!!!

Laser strikes on aircraft have hit a record pace. There have been numerous reported laser strike incidents at Dallas Love Field this week. **Reminder:** It is a federal crime to point a laser at an aircraft. These incidents are not taken lightly as those convicted can be sentenced to 20 years in prison and a \$250,000 fine. 'Don't let a prank lead to prison!'

Noise Complaints

You may submit noise complaints to the Department of Aviation through the PublicVue portal on the Love Field website at www.dallas-lovefield.com and clicking the "Aircraft Noise Complaints" button on the right side of the screen. You may also submit complaints via the Airport Communications Center at 214-670-LOVE (5683). The Airport Communications Center (ACC) is staffed 24 hours a day to direct your airport related concerns.
