## Crazy little thing called Love... Field

By: Lanre Olaniyan

### Announcements

On the morning of Friday, Sept. 11th at Dallas Love Field, a ceremony to commemorate the lives lost in the tragedy of September 11th, 2001 was held next to the airport's Security Checkpoint. On this day we remember the families and those affected by the tragic events of 9/11 as well as honoring our veterans and first responders. Above, as he was giving his address, the Director of Aviation is pictured next to a cross that was fabricated of steel from World Trade Center.

Bigger isn't always better, even in the Lone Star State. Dallas Love Field tramples its sizable competition with the average fares that wing in around \$250, so this busy airport tops the list of cheapest airports to fly out of in Texas! Flights.com rates DAL in its 5 cheapest U.S. airports coming and going!

You can follow Dallas Love Field on Facebook at: [www.facebook.com/DallasLoveField](http://www.facebook.com/DallasLoveField)

### Noise Complaints

You may still submit noise complaints to the Department of Aviation through the PublicVue portal on the Love Field website at [www.dallas-lovefield.com](http://www.dallas-lovefield.com) and clicking the "Aircraft Noise Complaints" button on the right side of the screen. You may also submit complaints via the Airport Communications Center at 214-670-LOVE (5683). The Airport Communications Center (ACC) is staffed 24 hours a day to direct your airport related concerns.
